

**ICAI 2024**  
**ANNUAL CONFERENCE**

**March 7-10**  
**Calgary, Alberta, Canada**

# Welcome to Calgary!

Thanks for helping put the “international” into ICAI’s 32nd International Conference, and our first conference outside of the United States since 2015! We are so excited for the opportunity to see old friends and meet new ones as we explore academic integrity around the globe.

As you enjoy the conference, once again, we call on you to bring your time and talent to ICAI. Your efforts can help students, faculty, and institutions create authentic learning experiences around the world. The board and I invite each of you to take part by contributing to our blog, attending (or even hosting) a regional conference, and joining one of our leadership committees. These teams of members guide ICAI’s efforts in research, advocacy, conference planning, content creation and outreach and we need you! Ask any board member for more information about how to get involved.

The Conference Committee (Amanda McKenzie from University of Waterloo, Dulce Abril Castro Escalón from Tecnológico de Monterrey, Dawn Lesperance from Lewis Clark State College, Patricia Meyer from Devry University, Jennie Miron from Humber Institute of Technology and Advanced Learning, Kailie Gonzalez from University of Arkansas, and Jake Kasper from Michigan State University) has done a tremendous job in creating this conference experience for both those who are joining in Calgary and those who are only joining virtual. Special thanks goes to Dawn Lesperance for her leadership of the program proposal and selection process.

Finally, we would like to share a special note about our conference schedule. We are excited to officially begin our conference on Friday at lunch with a traditional land acknowledgement followed by our keynote by Martine Peters. Second, we hope you have RSVPed to attend the Handbook of Academic Integrity book launch at the University of Calgary on Friday evening. After a day of sessions on Saturday, we will have the opportunity to celebrate our ICAI award winners at the Town Hall and you will have the opportunity to interact with our poster presentations while enjoying a nice cocktail reception. We encourage you to take advantage of conversations in person and on the Whova app.

For those of you attending for the first time, we welcome you to ICAI, and for those returning, we’re happy to see you.

Sincerely,

Camilla J. Roberts  
ICAI President  
Kansas State University

Chris Bryson  
2024 ICAI Conference Chair  
University of Arkansas

# 2024 ICAI Conference Schedule
