**ICAI 2025** Annual Conference

---

**Chicago, IL**

**March 7-9, 2025**

**Integrity  
is Fair**  
**ICAI 2025 Annual Conference**  
**Chicago, IL**

We are so excited to welcome you to the ICAI's 33rd Annual Conference hosted in Chicago! We had a wonderful time in Calgary so we thought, why not another city that starts with "C"!

As you enjoy the conference, we call on you to bring your time and talent to ICAI. Your efforts can help students, faculty, and institutions create authentic learning experiences around the world. We invite each of you to take part by contributing to our blog, attending (or even hosting) a regional conference, and joining one of our leadership committees. These teams guide ICAI's efforts in research, advocacy, conference planning, content creation and outreach. We need you! Ask any board member for more information about how to get involved, they will have a maroon ribbon on their name tag.

The Conference Committee (Dawn Lesperance from Lewis Clark State College, Jake Kasper from Michigan State University, Chris Bryson from University of Arkansas, Patricia Meyer from Devry University, Vanessa Arp from Kent State University, Amanda McKenzie from University of Waterloo, Liliana del Carmen Almaguer Arroyo, Universidad de Monterrey, and Jennie Miron from Humber Institute of Technology and Advanced Learning) has done a tremendous job in creating this conference experience. Special thanks goes to Dawn Lesperance for her leadership of the program proposal and selection process.

A couple things on the schedule to pay attention to:

1. We have a great keynote address from Derek Newton, author of the Cheat Sheet.
2. The ICAI Town Hall and Awards has moved to Friday with the cocktail reception to follow (past years, this was on Saturday).
3. Poster session will have its own featured time on Saturday.
4. Early morning on Sunday, we observe Daylight Savings Time. Your mobile phone will automatically change over, but any clocks in your room may be 1 hour behind.
5. We have added breakfast on Saturday and Sunday! Saturday will be an opportunity to connect with conference sponsors and Sunday is organized for networking.
6. Don't forget to sign up for the dine around, information can be found in the Whova app.

For those of you attending for the first time, we welcome you to ICAI, and for those returning, we're happy to see you again.
